GEN. SCOTT TO DELIVER PIUTE CAPTIVES TODAY

TRUCK ACCIDENT Fear of General Disturbance in Northwest Allayed by Successful Expedition.

Reports received at the War De partment indicate that Mai. Gen. Hugh L. Scott, chief of staff of the army today will deliver to the Federal authorities at Salt Lake City, Utah, the four Piute Indians whom he succeeded in inducing to abandon their defiance IN A SERIOUS CONDITION of the government and to surrender

a time there was real apprehension in official quarters lest the defiance of the Federal authorities by these four Plutes and the other Indians they had induced to join them might cause a general disturbance among Indians n the Northwest.

This fear, it was explained, account-ed largely for the decision of Secre-tary Garrison and the President to detach Gen. Scott from his important duties as chief of staff and send him

Commissioner Brownlow yesterday said that he will ask the chief of police to require rigid enforcement of the police regulation requiring vehicles to draw to a standstill parallel to the nearest curbing upon the approach of fire apparatus. Mr. Brownlow believes that if this regulation is observed there will be few collisions.

Still in Serious Condition.

Capt. I William Dixon and Privates John B. Leavelle and John W. Hurdle, the three firemen who were most seriously injured in the accident, improved slightly Monday night and yesterday. It is said that even if they recover they may be maimed for life. They are at Emergency Hospital.

All three are injured internally, in addition to having broken bones and contusions and shattered nerves from shock. Capt. Dixon is suffering from a compound fracture of his right leg. It is not believed, however, that surgeons will find amputation necessary. Leavelle's leg was wrenched, his left shoulder broken and he was injured about the head. Hurdle's right collar-
